

## 2012 ROBERT H. GODDARD MEMORIAL SCHOLARSHIP

*Provided to a university upperclassman with definite plans to pursue studies in science or engineering. The Scholarship's purpose is to stimulate the interest of talented students in the opportunity to advance scientific knowledge through space research and exploration.*

---

### NATIONAL SPACE CLUB

The National Space Club, founded in 1957, is a non-profit organization composed of representatives of industry, government, academia, and private individuals, which collectively seek to promote the United States' leadership in the fields of space, rocketry, astronautics, and related technologies. For more information about the National Space Club, please visit our website at [www.spaceclub.org](http://www.spaceclub.org).

The National Space Club offers a scholarship each year in memory of Dr. Robert H. Goddard, America's rocket pioneer, to encourage study in the field of engineering and science.

For more information on Robert H. Goddard, [click here](#).

The scholarship, **in the amount of \$10,000**, is awarded to a U.S. citizen in at least the junior year of an accredited college or university, to stimulate the interest of talented students in the opportunity to advance scientific knowledge through space research and exploration.

---
